Valued Customers,

Due to increases in the cost of our raw materials and labour, effective January 1, 2017 a price increase of \$10.00 cubic metre will be applied to all non-contract supply concrete prices.

We would like to thank our many valued customers for their continued support and we look forward to working together in the future.

I wish you continued success and prosperity.

If you have questions or would like to discuss this matter further please feel free to call me at any time (604) 261-2211.

Regards,
Ocean Concrete
